Nursery Christmas Play Arrangements

Friday 18th November

Dear Nursery Parents

It is with great delight that I am writing to welcome you and your extended family into school to come to watch Nursery's Christmas Nativity.

Hopefully, you may have heard a few songs at home that they have been practising – please do not worry if they haven't that's also fine! We do not send words home as we want it to be a surprise and the most memorable and special occasion for you all to see as their first play with us at Birches.

The Nursery staff work incredibly hard and will ensure that everything is ready including costumes for the play. It may be that we need the odd item and if so, they will be in touch directly.

Nursery's performance is **Wednesday 7th December at 9am**

We will not be allocating physical tickets for the performances but payment via ParentPay will confirm your allocation and will be added to the ticket list for your chosen performance. **Four tickets** for each performance will be allocated per family at a cost of £3.00 each. **Tickets need to be purchased by Friday 2nd December for us to be able to allocate the reserve tickets.** We would like to be able to accommodate everyone who wants to attend so a reserve list will be kept for one extra ticket per family. Please complete the survey below if you would like a reserve ticket.

[Reserve Tickets Survey](#)

To be as fair as possible to all parents who request a reserve ticket, names will be placed in a pot and drawn at random.

Please can I remind parents that this performance is an adult only performance and any children with siblings at school will have the opportunity to see Nursery's performance.

At the end of the performance, I will be handing out certificates for selected children. At Birches we award a certificate for 'Gold Expectations' and 'Effort and Improvement' at the end of each term for children who staff believe deserve this extra special recognition. Please note as a nurturing school this isn't always for the one who is the most ables, it

can be a child who has worked incredibly hard, a child who has found something very difficult and persevered, it is for those children staff feel truly deserve it, not just ability recognition. You will be notified personally if your child is to receive an award, please do not let your child know as we like it to be a surprise for them!

The PFA will be selling ticket for our Christmas Hamper Raffle at all the performances...Good Luck! Costs are £1 a strip.

Finally, in line with our Safeguarding Policy and GDPR regulations, photos and videos of your child for personal viewing may be taken during the performance. Please remember however that any images or video clips should not be shared on any social networking sites, thank you for your cooperation.

We are very much looking forward to seeing you at the performance, I know it will be very memorable and special for you all.

Best wishes

S Varricchione

Headteacher
