Birches First Children in Need Day

What can I say, we have had the most amazing day! School Council and I will be adding up the amount raised on Monday (we have been so busy with Assembly, Cake Sale and then Pudsey Patch Painting!) and informing you of the final amount.

Children all made their own Pudsey Crown Ears, and it has been delightful to see their own artistic flare added to each one. The School Council have been nothing less than AMAZING! Thank you everyone for your support and making this day full of fun memories for the children whilst actively supporting a charity so very close to all our hearts. Well done Team Birches!
