

Birches First School

Believe, Grow, Succeed ...
...to be the best 'me' I can be.

18th June 2024

Dear Parents

After the amazing success of Birches Got Talent 2023, the School Council have asked if this can be repeated this year!

We already know that Birches is full of talent and so this is a fantastic opportunity for the children to share and celebrate their creative performances - telling jokes, magic tricks, dance, singing, saying a poem, juggling, playing an instrument, create an animation etc. Everything is welcome!

The children are welcome to audition on the following dates....

Y4- Tuesday 25th June

Y3- Thursday 27th June

Y2- Friday 28th June

Y1/YR- Tuesday 2nd July

Auditions will be held on the above dates for classes at lunchtime. If children need to bring in any props please do so in a named bag on the allocated day for their class. There is no obligation to participate, only if a child wishes to perform shall they audition.

The children will participate in their auditions on the above dates and 3 children/acts from each year group will be selected to go through to the final! Please note each audition must not be longer than 2 minutes.

This year for the children who are chosen for the final, we are hoping to invite their parents into school-details to follow closer to the time. The final will be presented to the whole school where a democratic vote will take place to crown Birches has Talent Winner 2024!

Please, if there are any questions do get in touch and I will be happy to help.

We are so excited and looking forward to watching the fantastic talent that Birches has to offer!

Amiyah Alice Isla

Good Luck! Avery Arnaya
