## Purple Mash Competition

Dear Parents

We are delighted to share a fun opportunity for our children to showcase their artistic talents.

### **About the Competition:**

Our school is participating in the Purple Mash Football Design Competition, where children can design their own football, in preparation for the Men's Euro's competition, and we believe this competition is a unique opportunity for them to celebrate this event.

### **Why Your Child Should Participate:**

- Creative Expression: This competition encourages our students to let their imaginations soar and express themselves creatively. It's a chance for them to showcase their unique perspective and artistic skills.
- Exciting Prizes: The grand winner will receive a Purple Mash goody bag and the extraordinary opportunity to see their football design transformed into an actual football for them to keep!

### **How to Participate:**

- Using one of the Purple Mash templates, encourage your child to let their imagination run wild and design a football that **only uses three colours**.

To access these designs, please follow the link ([https://www.purplemash.com/#tab/home/euro\\_ball\\_comp\\_2024](https://www.purplemash.com/#tab/home/euro_ball_comp_2024)). Details on how to upload your entry can also be found on the link.

The deadline for any entries is the **28<sup>th</sup> June**.

Thank you for your continued support in nurturing our childrens' creativity.

Yours sincerely,

Mr Jones
