1st July 2024

Y3 Pizza Express Visit

Dear Parents,

This half term, we have been learning about Food Around the World in our Design Technology lessons. We have also been learning about Italy in our Geography lessons. Therefore, to consolidate and enhance our learning, we have arranged a visit to Pizza Express in Telford on Friday 19th July 2024. During the visit, children will be taught cooking basics like washing hands and staying safe in the kitchen as well as having chance to knead the dough to create the perfect base for a Mozzarella pizza! They will also discover the importance of using fresh ingredients. In addition, children will watch their pizzas being cooked and of course eat their pizza! It will be a wonderful experience for the children! Following the visit to Pizza Express, children will have chance to play on the park before returning to school.

We will travel by train to and from Telford. Please ensure children are at school for 8.30am prompt. We will return to school by 3.15pm.

The children should wear full school uniform. Children may wear trainers. All children will need to bring drink that can be disposed of (no glass bottles or fizzy drinks). Children will be able to eat their pizza on the visit but please send your child with snacks to accompany this. If your child would prefer to bring a packed lunch, please send this in a named carried bag. Please only send a suitable amount of food for the trip.

The cost of the visit will be £8.00. Payment for the visit is to be made through ParentPay. When you make the payment, you are giving permission for your child to attend the visit.

We look forward to an enjoyable day!

Thank you for your continued support.

Yours sincerely

Miss S Hulme
