16th September 2024

Dear Parents,

We are delighted to inform you that we have managed to secure tickets for Year 3 to attend an event at Wolverhampton Grammar School where author and illustrator Laura Ellen Anderson will be celebrating the launch of her “Marnie Midnight” series on Thursday 26th September 2024.

The event will be taking place during the morning, children will be travelling to and from Wolverhampton Grammar School on the bus. The bus fare of £2.40 will be set up on Parent Pay. Please ensure this has been paid by **Tuesday 24th September 2024**. We anticipate leaving school at 9am and will be back in time for lunchtime.

At the event, your child will have the opportunity to purchase a signed copy of Laura’s new book “Marnie Midnight” for a discounted price of £6.50. If you would like your child to purchase the book, please ensure they have the correct amount of change in a named envelope on the day of the event.

Thank you for your support, we are really looking forward to the event!
